MEMORANDUM ON THE SECURITY OF PDF DOCUMENTS AND REDACTION

Over the past several years, there have been several instances in which a journalist, government officer, or corporate executive has released an otherwise-secret document with redactions. Unfortunately, these amateur redactors often [REDACTED] and leave themselves vulnerable to [REDACTED]

Indeed, few issues pose as real and present a threat as [REDACTED] If you wish to release a PDF document, be sure to release only an *image* of the file—that way, you won't be vulnerable to [REDACTED]
